

February

	Monday	Tuesday	Wednesday	Thursday
Week 1 <u>Words</u> brother sister said when this	Read and write your sight words. Make a list of all the words that end with -er.	Count the number of gloves, scarves and hats found in your house. Make a graph that shows how many of each you found.	Compare an apple and a banana. Tell or write three ways they are alike and three ways they are different.	Make a T-chart to list all the solids and liquids in your home.
Week 2 <u>Words</u> but won't can't questions did	Create an ABBC pattern with cereal. Create your own pattern with something else and tell someone about it.	Count the number of digital and analog clocks in your house and make a T-chart to record the number of each with tally marks.	Make sure you are ready for our Valentines Day celebration tomorrow with a card for every person in our class. Read the names of your classmates.	Make a list of words that have apostrophes in them: like he'll, we're; write 5 more.
Week 3 <u>Words</u> our no run has best	No School President's Day Do you know who our current president is?	No School Teacher Work Day How many jumping jacks can you do in one minute? Have a grown-up time you?	Think of a number between 1-100, write it down, don't tell anyone. Have people make guesses and give them the clues — higher or lower until they guess your number.	Sort some buttons. Make up a sorting rule like holes/no holes, and sort them out to reflect your rule.
Week 4 <u>Words</u> after really coat house from	Compare ice skates & roller skates. Make a T-chart to tell how they are alike and how they are different.	Solve It! There were 3 cats, 5 dogs and 4 horses at the vet. How many legs were at the vet? Draw a picture and write an equation to match the problem.	Go to the library and check out some books from the North Carolina Award winning book list. Go online to vote for the 07-08 nominees. http://www.bookhive.org/NCCBA/	Challenge Homework: Make a bird feeder from recyclable items. Place it outside. What kind of food did you put in it to attract birds? List and draw the different birds that visit your feeder.
