

July

Monday	Tuesday	Wednesday	Thursday	Friday
<p>Today is the 30th of June, your last day of school was the 12th. How many days have you been out of school?</p>	<p>Make a list of 5 different occupations (jobs). Draw a picture of equipment that goes with each job.</p>	<p>Look on the back of your cereal box. Make a 3 column chart of nouns, listed as people, places, and things and write them down.</p>	<p>Next time your mom or dad goes to the grocery store, ask them for the receipt, make a tally chart for all the items in each food group.</p>	<p>Using the grocery receipt from yesterday, add up the prices from each food group, ex., bagels + bread + pasta + rice = ?</p>
<p>Keep track of how many times you change your clothes in one day. If it's more than 3, ask your mom or dad to show how to fold your own clothes.</p>	<p>Write a story about cool things on a hot day.</p>	<p>If one snow cone costs 50 cents and 2 cost \$1.00, how many do you think 7 snow cones will cost?</p>	<p>Ask your mom or dad if you can reorganize the pantry putting like things together, like soups, cereals, packets, etc.</p>	<p>Make a list of 10 things that begin with the same sound as your name.</p>
<p>For one day, keep a journal of all the television shows you watch with times. Then tomorrow leave the TV off and read, clean, write or play instead.</p>	<p>Make a graph of all the shoes in your closet and then write what each pair is best used for.</p>	<p>Write 2-3 sentences telling what kind of pet you have or would like to have, if you don't have one. Tell what makes it so special to you.</p>	<p>Make up a story problem for someone in your family to solve.</p>	<p>If you don't already have your home phone number memorized, learn it. How about your parent's cell phone number?</p>
<p>Solve.</p> $\begin{array}{r} 6,743 \\ +2,146 \\ \hline \end{array}$	<p>Read a story and then record the characters, setting and sequence of events in the story.</p>	<p>Go outside and look for different kinds of rocks. Start a rock collection and a rock record for each rock you find.</p>	<p>Draw a big triangle and fill in the fact family for the numbers 4, 8, 12.</p>	<p>Write a story about how your family spent the 4th of July, don't forget to use lots of details.</p>

* Don't forget to read at least once everyday *
