

March

	Monday	Tuesday	Wednesday	Thursday
Week 1 <u>Words</u> night little here animal those	Today is Dr. Seuss' birthday; we honor him with Read Across America Day! Read a Dr. Seuss book and have fun reading.	What is special about rainbows? What are other symbols of luck and good fortune?	Make a tally chart to show the number of windows, steps and doors in your house.	Create sentences using your word wall words. Use new words and previous words.
Week 2 <u>Words</u> pretty his who they children	Go outside and sit down. Don't talk. Close your eyes. Listen to nature. What do you hear? What do you see? What do you smell? What do you touch? What do you taste?	Make a list of things that are green. Can you write 10? How about 20?	How many toes are in your family? Draw a picture and write an equation to match the number of toes in your family.	Write a story about a leprechaun, a rainbow and a pot of gold.
Week 3 <u>Words</u> before almost know first once	Look through a magazine and cut out letters to make a Word Wall Word collage for your words this week.	Play Top-It Get a deck of cards. Set the letter cards aside. Shuffle and deal the rest to yourself and a partner. Each turn up two at a time-whose number is higher?	Incredible Equations: Write as many as you can to show the number 20. Use numbers, tallies, words, money, symbols, addition, subtraction, groups of.	Make a T chart of events that are likely to happen and events that are unlikely to happen. Ex-Likely: It will rain tomorrow. Unlikely: A bird will fly into our classroom.
Week 4 <u>Words</u> birthday brought under kind nice	Go to the public library and check out some books for your parents to read to you. Discuss story elements like setting, characters, and events in each story.	Make a venn diagram to compare how an animal and a plant are alike and different.	Write down 10 words to describe a chocolate chip cookie.	Fill a glass with water — to the brim. Then, start adding pennies one at a time, how many can you add before it flows over? What do you observe about surface tension?

* Home Reading also to be done each night. *
